

MD Next Generation

14.6.24

אולם סמולרש אוניברסיטת תל אביב

JIMS is thrilled to invite you to the MD NEXT GENERATION conference, the first medical student conference in Israel!

The conference will be dedicated to research, medical innovation, entrepreneurship, and social leadership among the next generation of Israeli physicians. This first-of-its-kind scientific conference will be an event dedicated exclusively to the thousands of Israeli medical students, studying in Israel and around the world.

The conference will be held with the support of the Israeli Medical Association (IMA), the National Academy of Science in Medicine, and the Forum of Deans of Medical Faculties in Israel.
